REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

F. J. DeLaine Elementary is an integral part of the Wedgefield community in Sumter County. Currently, we educate and nurture 130 children from kindergarten through fifth grade. Our mission is to promote lifelong learners while utilizing the ABC's: Academics, Behavior, and Character. We envision building a legacy of academic excellence and social responsibility, one student at a time.

At DeLaine, our staff is highly skilled and dedicated to the success of all students. We have a continued commitment to educate and provide our students with standards-based learning experiences. Therefore, various research-based and instructional "best practices" and approaches are implemented across the curriculum to broaden the students' academic performance. Promethean boards and computers, which aid in the academic experience and provide for active student learning, are utilized on a daily basis. Weekly grade level planning with the curriculum coach is held to fine-tune classroom lesson plans. All students participate in the Early Morning Tutorial, which provides extra practice in reading/language arts and math.

Parents are welcomed and encouraged to become active members of the PTA and attend our Family Reading/Math Night activities. Workshops are scheduled through our Parent Resource Center during the school year to encourage and assist parents in preparation for helping their children at home. Continuous communications between the school and family is promoted through our student-parent handbook, monthly newsletter, weekly and/or daily progress reports, and parent-teacher conferences, which are held three times during the school term.

We have met AYP for the past five years and have been recognized by the EOC for closing the achievement gap for historically underperforming groups of students for the past four years. In 2007, we were the recipient of the Red Carpet Award presented by the SC Department of Education. In addition, the State Board of Education and the South Carolina Department of Education recognized DeLaine for outstanding student academic performance for excellent results in closing the achievement gaps and declared the school a Silver Award recipient in 2011 and 2012.
